Introduction

The officers and members of the Sioux Empire Shorthorn Club Inc. extend a most cordial welcome to all admirers of beef shorthorn cattle, to attend this, their 5th annual show and sale.

Farmers, ranchers and pure bred breeders will find assembled here a type and quality of cattle to fit their needs as well as their pocket books. There will be twenty-four bulls and fifty females, representing the choice of twenty-five outstanding breeders from Nebraska, Minnesota, Iowa and South Dakota. The bulls are ready for service and are the best lot we have offered. In the group of females, there are eighteen cows either with calves at foot or close to calving, twenty-two bred heifers and ten open heifers. These females are carrying the service of some of the top bulls in America and are in a position to immediately pay their new owners a dividend.

We are fortunate to be able to offer in this sale, a consignment of eighteen females and one bull from the herd of Olaf E. Tuntland, Sioux Falls, S. D., which represents a dispersion of this small but excellent group of cattle. This is the opportunity of a lifetime for new breeders to start with top quality bred females and for old established breeders to strengthen their herds.

May we also extend an invitation to all prospective buyers, as well as all members of the Sioux Empire Shorthorn Club, their wives and friends, to attend the annual banquet, which is to be held at the Chamber of Commerce Rooms, Phillips Avenue and Tenth Street, at 6:30 p.m., sharp, March 29, 1948. A short program of entertainment has been arranged for this banquet.

Last year, our two best bulls happened to be born white. Held this one for the Sioux Falls sale, the other for the Sioux City Sale. His sire is getting real good calves for us and his dam is one of the very few cows now living whose sire and dam were both International Grand Champions. Her last bull calf brought \$1,310.00 in the Sioux City Sale last year. She has been one of the best breeding cows I have. Her bulls are being used in prominent herds.

TUNTLAND'S SHORTHORNS

Though the herd of beef shorthorns developed by Olaf E. Tuntland of Sioux Falls, South Dakota has been established only six years, it has become known as one of the outstanding breeding herds in the middle west.

The owner has been a liberal buyer of top quality females at the leading sales and only bulls of outstanding blood lines have been used. His first sire was Klaymor Elite, a son of Collynie Royal Barrage. Following this bull, the 1943 reserve champion of the International Congress sale, Helfred Promoter was purchased and has been used liberally. Klaymor Idol, top selling bull in the 1946 North Chicago sale was next placed in service to assist Helfred Promoter.

Two years ago the Tuntland herd was drastically culled and only the top eighteen females were retained. These are now offered to you well along in calf to the two bulls mentioned above.
